forma / directions

CONCEPT FOR REVIEW · NOT APPROVED

One journey. Two points of view.

Compare how Forma should feel, not what it should do. Both directions use the same products, content, actions and purchase scenario. These are static, editable concepts for discussion—not an approved interface or a live checkout.

A Calm editorial

Warm neutrals, expressive serif headings and generous rhythm. Larger photography makes everyday essentials feel considered and tactile.

Prioritizes atmosphere, storytelling and product discovery.

B Energetic utility

Crisp white surfaces, vivid blue actions and a bold sans hierarchy. Tighter spacing and compact imagery support fast scanning.

Prioritizes speed, clear actions and task completion.

THE CONTROLLED COMPARISON

Riley is shopping for daily essentials. A Loop Water Bottle is already in the bag. Discover and add the Arc Everyday Tote, review the two-item bag, then complete a sample order.
